## EXPERIENCE

### MLB Network

*Summer Intern*

**Secaucus, NJ**  
June 2025 - August 2025

- Produced and edited broadcast elements (VOs, SOTs, teases, highlights) using DIAMOND and Adobe Premiere Pro.
- Supported control room operations and production meetings, contributing to rundowns, scripts, and real-time content execution.
- Collaborated with producers in fast-paced live environments, ensuring content met broadcast standards under tight deadlines.

### UM Global Sport Industry Conference

*Radio Host, Inaugural GSIC Live Radio Show*

**Coral Gables, FL**  
April 9, 2026

- Selected by UM Sports Administration faculty to host and solo produce inaugural live radio/podcast, leading on-air interviews with industry leaders including Katie Meier, Mike Rumph, and Tiago Pinto.
- Managed full technical production, operating multi-camera and audio systems for live broadcast while producing post-event video content and social media highlights.

### WVUM 90.5 FM (University of Miami)

*Radio Producer & Play-by-Play Commentator*

**Coral Gables, FL**  
August 2023 - Present

- Operate 50+ live broadcasts, managing audio, timing, and show flow while coordinating with producers and talent on real-time programming.
- Produce, edit, and mix audio content for on-air use under tight deadlines; develop weekly segments and show content, including live coverage of 2026 Fiesta Bowl.

### UMTV (University of Miami Television)

*Sports Anchor & Producer*

**Coral Gables, FL**  
August 2023 - Present

- Write and anchor a weekly 30-minute live show covering University of Miami athletics, serving as primary football analyst for 2024 season.
- Produce and edit broadcast packages, VOs, SOTs, and highlight reels under tight deadlines.
- Develop storylines, scripts, and segment structure to enhance on-air content and analysis.

### SportsCaster Platform

*Cast Member & Strategist*

**Birmingham, MI / Remote**  
July 2024 - Present

- Contribute to content and production strategy focused on maximizing audience reach and engagement across digital audio and streaming platforms for [SportsCaster.com](#) while hosting podcasts interviewing athletes and coaches.

### Rosenhaus Sports Representation

*Marketing & Data Analytics Intern*

**Remote**  
January 5, 2026 - Present

- Collaborate with RSR Marketing team to identify and secure sponsorship, partnership, and brand activation opportunities for a roster of MLB, collegiate, and high school clients by producing daily analytical reports.

**SKILLS:** Proficient in Audio Production & Live Broadcast, Adobe Premiere Pro, Broadcast Writing (AP Style), Studio Equipment Operation, Adobe Audition and radio production workflows.
